THE TOTAL SYSTEM DEVELOPMENT COSTS.

My total development costs for the above **ONLY** equate to KSH, 23800 subject to bargain.

OPTIONAL FUTURE COSTS

Mobile app version	30000
WhatsApp functionality integration	2000
Online Payment module	6000
SEO and Digital Marketing setup	5000 / month

The project timeline is 1.5 - 2 weeks from date of agreement and the delivery will be:

1. A fully functional website
2. Admin credentials
3. Training for admin users to use the system

TERMS AND CONDITIONS

Inclusivity

1. A full system development
2. One year free maintenance
3. Complete handover of project source files after complete payment and 5 months of smooth operation of the system
4. Admin access and training session on system use.

Non- inclusive

1. Domain name purchase
2. Web hosting services and costs whatsoever
3. Deployment to live server
4. Future updates, redesigns or feature expansions beyond the quotation’s scope

5. Any third Party charges e.g. supabase or plugins needed.

PAYMENT TERMS

60% upfront deposit before project commencement (subject to bargain)

40% upon completion and approval and should be the previous day before the final handover.

NOTE: This document will act as a formal Contract agreement between I and Martin and any agreement made or changes between the two should be addressed further into this document in the event both parties agree to work on the system as planned.

PROJECT COMPLETION & CONTRACT CLOSURE AGREEMENT

Chapter 1: DREAM CONSTRUCT SYSTEM

Company Slogan: Build Your Dreams

Prepared By: Wanjiku Dennis

Client: Martin

Original Proposal Date: 23rd October

Project Completion: 2nd Week of December

Contract Closure Effective Time: 1:00 AM, 15/12/2025.

Chapter 2: 1. PARTIES

This Contract Completion and Closure Agreement ("Agreement") is entered into between:

Developer / Service Provider:

Name: Wanjiku Dennis

Client:

Name: Martin

Together referred to as "the Parties".

Chapter 3: 2. BACKGROUND & LEGAL BASIS

2.1 The Parties initially entered into a **binding service engagement** for the development of a construction project management web system. The agreement arose through **oral discussions**, later **reduced into a written proposal and quotation** dated 23rd October.

2.2 The Parties acknowledge that under **applicable contract law principles**, an oral contract for services is valid where there is:

- Offer
- Acceptance
- Consideration
- Intention to create legal relations
- Performance

2.3 This Agreement serves as a **formal written record of completion, discharge, and closure** of all obligations arising from the said engagement.

Chapter 4: 3. SCOPE COMPLETION CONFIRMATION

The Client confirms that the Developer has **fully performed** and delivered the system as agreed, including but not limited to:

- User authentication and role-based access (Admin & Client)
- Project management, milestones, tasks, and updates
- Media and document management
- Reviews and feedback system
- Admin and client dashboards
- Contact and inquiry communication features
- Responsive UI/UX design
- Deployment-ready configuration
- Modern technology stack (React, TypeScript, Supabase, Tailwind CSS)

The Client confirms that the system meets the agreed scope and requirements.

Chapter 5: 4. DELIVERABLE ACCEPTANCE

4.1 The Client formally **accepts all deliverables** as complete and satisfactory.

4.2 No further deliverables remain outstanding under the original agreement.

Chapter 6: 5. TIMELINE CONFIRMATION

- Agreed timeline: **1.5 – 2 weeks**
- Target completion: **2nd week of December**
- Actual completion: **Achieved**
- Contract closure: **Effective at 1:00 AM 15TH December 2025.**

The project is deemed completed **within the agreed timeframe**.

Chapter 7: 6. FINANCIAL SETTLEMENT

6.1 Total agreed development cost: **KES 23,800** (subject to prior bargain).

6.2 By execution of this Agreement, the Client confirms that:

- All agreed payments have been settled or
- Any balance has been acknowledged and resolved as mutually agreed.

6.3 No further financial claims shall arise from the original scope.

Chapter 8: 7. FUTURE FEATURES & DEVELOPER DISCRETION

7.1 Any future enhancements, upgrades, integrations, maintenance beyond the agreed scope, or additional features **are not included** in this Agreement.

7.2 The Developer **may, at their sole and absolute discretion**, choose to:

- Provide additional features voluntarily and without obligation, **or**
- Decline to provide any further services, even if previously discussed or requested.

7.3 Acceptance of a request or discussion regarding future features **does not create a binding obligation** unless:

- Reduced into a new written agreement, and

- Signed by both Parties.

7.4 The Developer retains the **unrestricted right to withdraw, suspend, or cancel** any voluntary assistance at any time, without liability.

Chapter 9: 8. LIMITATION OF LIABILITY & COMPLETE DISCHARGE

8.1 Upon execution of this Agreement, the Developer is **fully and finally discharged** from all obligations arising from the project, except where explicitly stated herein.

8.2 The Developer shall **not be liable** for:

- Cybersecurity threats
- Cyberattacks
- Data breaches
- Hacking incidents
- Third-party service failures
- Hosting, server, or infrastructure vulnerabilities
- Regulatory or compliance issues post-handover

8.3 The Client acknowledges that cybersecurity and system operation risks are inherent in digital systems and assumes **full responsibility** for such risks upon project completion.

8.4 No claim, demand, or action whether contractual, tortious, statutory, or otherwise shall lie against the Developer after closure, **except in cases of proven fraud or willful misconduct**.

Chapter 10: 9. NO IMPLIED OR ORAL EXTENSIONS

9.1 This Agreement represents the **final and complete settlement** of the Parties' relationship regarding the project.

9.2 No oral statements, implied understandings, emails, or informal communications shall:

- Extend obligations
- Revive the contract
- Create new duties

unless formally documented and signed by both Parties.

NOTE: This Agreement constitutes the entire agreement between the Parties and supersedes all prior oral or written agreements, discussions, or representations relating to the project.

Chapter 11: 10. MAINTENANCE CLAUSE CLARIFICATION

10.1 Any maintenance or support provided after closure:

- Is limited strictly to what was expressly agreed, and
- Does not create a continuing duty or obligation.

10.2 Any additional support may be:

- Charged separately, **or**
- Provided voluntarily at the Developer's discretion.

Chapter 12: 11. GOVERNING LAW & CONTRACT DISCHARGE

11.1 This Agreement shall be governed by and construed in accordance with the laws of the Republic of Kenya. Any dispute arising out of or in connection with this Agreement shall be subject to the exclusive jurisdiction of the courts of the Republic of Kenya.

11.2 The Parties acknowledge that this Agreement constitutes a **lawful discharge by performance and mutual agreement**, effectively closing an initially oral and subsequently documented contract.

Chapter 13: 12. FINAL CLOSURE DECLARATION

By signing below, the Parties confirm that:

- The project is fully completed
- The contract is formally closed
- All obligations are discharged
- The Developer is fully released from liability
- No further claims shall arise

This closure is effective **at 1:00 AM on the date of signing**.

NOTE: Nothing in this Agreement prevents the Client from engaging any third party for future support, maintenance, or security services.

Chapter 14: 13. SIGNATURES

Developer

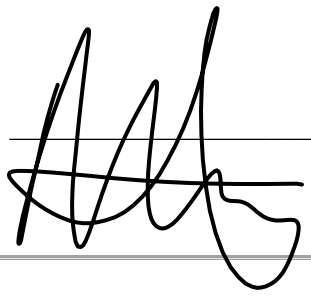

Name: Wanjiku Dennis
